Glen Park ADA Improvements Project (CF18A)

ABOUT THE PROJECT

Glen Park is a day use park located in the community of Cardiff by-the-Sea in the City of Encinitas.

The Glen Park ADA Improvements Project (CF18A) will modify the two existing accessible parking spaces in the main parking lot as well as the accessible parking space near the tennis and basketball courts for ADA compliance. The project will also reconstruct the existing sidewalk between the main parking lot and the restroom area to meet ADA requirements.

The project work is identified in the City's ADA Transition Plan and ADA Self-Evaluation Plan. The Glen Park ADA Improvements Project will address parking and paths of access.

The project is part of the City's ongoing commitment to provide effective, safe, and easy transportation for all modes of movement and for all demographics.
